CUMARU MODULAR DECK TILES

MRP Supports' Cumaru Deck Tiles in 24"x24", 24"x48" and 24"x72" for those customers looking for a value engineered tile and pedestal option.

Cumaru is very similar in color to IPE with a color range from golden to reddish browns but with a more coarse and interwoven grain. Like IPE, Cumaru will weather naturally to a grey patina over time if left un-finished.

Cumaru and IPE share very similar technical performance characteristics sharing the same class ratings for durability, resistance to insects and fire.
